

Enforcement Regulations of the Articles of the Korean Society for Precision Engineering

Enacted February 1, 1987
Amended May 14, 2015

Chapter 7 Editorial Board

Article 42 Duties

The Board shall review editing matters about the Journal of Korean Society for Precision Engineering (hereinafter referred to as the "Journal"), the English Journals (International Journal of Precision Engineering and Manufacturing and International Journal of Precision Engineering and Manufacturing-Green Technology, hereinafter referred to as the "IJPEM" and "IJPEM-GT" respectively) and other publications.

Article 43 Organization

- A. The Board may establish the Editorial Committee for the Journal of Korean Society Precision Engineering, the Editorial Committee for IJPEM, the Editorial Committee for IJPEM-GT and the Editorial Committee to edit and publish other publications.
- B. The Board is composed of Editorial Committee Members including the Editor-in-Chiefs of each of the publications. The Chairman of Editorial Board who directs the Board shall be the Vice-President in charge of academic affairs.
- C. The operations for Editorial Committee relevant to each of the publications, which are organized pursuant to paragraph A. above, shall be determined by other separate regulations.

Article 44

The term of the Board shall be one year.

Article 45 Appointment of Editorial Committee Members

The appointment of Editorial Committee Members for each of the publications shall abide by other separate operations regulations for each of the publications.

Article 46

The Editor-in-Chief of the Board convenes the Board and presides at all of its Boards as chairman.

Article 47

All resolutions of the Board shall be passed by the affirmative votes of a majority of the board members present.
